### **BOOKS IN PROGRESS**

*Understanding Mindfulness: An Exploration of Buddhist Contemplative Practice.* This study is inspired by the emergence of contemporary modes of mindfulness practice and their relationship to classical Buddhist theory and practice. Key themes include: 1) divergent Buddhist models of mind and its dysfunction; 2) the role of conceptuality and affect in contemplative practice; 3) competing interpretations of mindfulness that emerge from dualistic and nondual contexts; and 4) the role of cultural context in the formation of contemplative practices. Estimated completion: August, 2019.

### **EDITED VOLUMES IN PROGRESS**

*Ecology, Ethics and Interdependence.* Proceedings of Mind and Life XXIII. Co-edited with Daniel Goleman.
